George D. Gross, superintendent at the old Mowery, after a day spent in Nogales, returned home Monday.

Sick headache results from a disordered stomach and is quickly cured by Chamberlain's Stomach and Liver Tablets. For sale by all Druggists.

Mr. M. M. Conn drove out to his mining claims Tuesday morning. They are situated a few miles this side of Washington Camp, and according to Mr. Conn, have the ear-marks of making a mine.

Sunday night Mr. J. H. Politzer arrived in the city from Los Angeles and Monday evening continued on south to Magdalena, where he has gone on private business. Jake, who is well known in Nogales, is a wide awake business man and a splendid hustler.

Tuesday night Mr. Richard Halke was a southbound passenger, his destination being Magdalena, where he owns one of the best paying wet-gold propositions in the state of Sonora. He will return next week and then go up into the Huachuclas where he has a fine lot of copper prospects, which will receive his personal attention.

"PERFECTA FAVORITA" on the box means the very best selected stock and highest workmanship which could be obtained. This cigar is superior to everything which has left the factory heretofore. None genuine without the full name. "PERFECTA FAVORITA." Call at Frank Irvine, across the line 1-m.

Deputy Sheriff James Kane of Patagonia, who last week had his left arm broken near the shoulder by being kicked by a vicious horse, after a week spent in the city undergoing needed repairs, has returned to his home. Last Sunday evening Mrs. Kane came down from the little city on the Sonora to look after Jim, who said her coming did him a world of good, and his arm began to improve at once.

Monday night Mr. Tom Gittins, who had been spending several days in Nogales, returned to Cerro Prieto, the big gold camp of the Nogales Copper Company. Tom is an experienced mill man, and for some time past has been employed at the twenty-stamp mill, which he says is running night and day with most satisfactory results. The gentleman was very enthusiastic over the Cerro Prieto mines and said they are bound to prove world-beaters.

Tuesday Dew R. Oliver, president and general manager of the Zubiate Mining Company, was a northbound passenger on his way home to San Francisco from the mines at Zubiate, where he had been on a visit of inspection with a number of friends. George B. Earnshaw, consulting engineer for the Nogales Copper Company, who went to Zubiate with Mr. Oliver, is still there, but will in a few days return to Los Angeles, where Mrs. E. is spending the winter months.

United States District Attorney Fred S. Nave, who formerly engaged in the practice of law in Nogales, was a visitor at the county seat this week having legal business in the district court. Mr. Nave now makes his home in the ancient and honorable pueblo of Tucson, where he says his family are well and happy. Mr. Nave's father, Chaplain Nave, is also living in Tucson, having become interested in real estate, which for some time has been on the boom. The United States attorney is in excellent health.

Mr. William F. Cooper, newspaper man, lawyer and all round good fellow, who was recently appointed Judge Geo. R. Davis' official court reporter, has removed his family to Tucson, where for a number of years they resided before coming to Nogales, when Mr. Cooper became associated with District Attorney Frank J. Duffy, as his law partner. The many friends of Mr. Cooper and his interesting and estimable little family, regret their departure from Nogales, and join us in the wish that wherever they may cast their lot they will prosper and be happy.

Monday Captain Charles Montgomery, the trapper and hunter, who possibly has killed more wild animals, for which he received bounty from the county, than any dozen men in Santa Cruz, departed for the San Rafael ranch, where he now makes his headquarters, having recently signed a contract with Manager Frank Proctor to exterminate the wild animals that infest the mountains in that part of the county. Captain Montgomery is a past-master in his business and has received many hundred dollars from Santa Cruz county for bear and lion pelts brought in.

G. A. Feidler, who hunts wild animals for their pelts which he sells to Santa Cruz county, has this week been in Nogales, having been summoned here to serve as a trial juror. Mr. Feidler is gaining quite a reputation as a hunter. During last year he killed nine bear, four lions, three wolves and three coyotes. This year he says he is going to beat that record. The gentleman's postoffice address is Patagonia, but most of the time his home is any place where night overtakes him and animals for which the county pays a bounty, are plentiful. This trip to Nogales Mr. Feidler brought in two fine lion pelts.

Tuesday morning Fred Mason, the mining engineer, who is now making his headquarters at Magdalena, came up to the line city. Fred says there are many mining men and prospectors in the vicinity of Magdalena, many of whom have bright prospects of striking it "rich." Among those who appear to have Dame Fortune on the run, he mentioned Don Dan Shea, well and favorably known in connection with the Sonora Mining & Milling Company, of which Con O'Keefe is president and general manager. Don Dan, he says, is very popular with all the boys who hang out at Phil Connell's hotel, and every one is anxious to see him win both a home and a fortune.

A Prisoner in Her Own House.

Mrs. W. H. Layha, of 1001 Agnes Ave., Kansas City, Mo., has for several years been troubled with severe hoarseness and at times a hard cough, which she says, "Would keep me in doors for days. I was prescribed for by physicians with no noticeable results. A friend gave me part of a bottle of Chamberlain's Cough Remedy with instructions to closely follow the directions and I wish to state that after the first day I could notice a decided change for the better, and at this time after using it for two weeks, have no hesitation in saying I realize that I am entirely cured." This remedy is for sale by all Druggists.
